Project Fact Sheet

Employment Generation Programme through Poverty Oriented Infrastructure – Phase III

THEMATIC AREA

Poverty Reduction

SECTOR / SUB SECTOR

Employment, Employment Promotion

PROJECT AIM (OVERALL OBJECTIVE)

To construct small to medium scale infrastructure through employment generation.

PROJECT DESCRIPTION

The main goal of the Programme is to alleviate poverty, generate employment and improve access to basic social services in impoverished Palestinian communities through implementing labour-intensive infrastructure projects that have long-term impact on social and human development particularly for children, youth, women and other marginalized segments of the population.

OBJECTIVES

- To provide immediate job opportunities through a set of labor-intensive interventions.
- To improve access to basic social services in the TIAs through the construction or improvement of multipurpose municipal/ community centers, water supply systems, roads, clinics, and other social services facilities.
- To empower youth and women through training, cultural, educational and vocational activities.

IMPACT STATEMENT

- To create the maximum number of short term and permanent employment opportunities.
- To construct priority infrastructure in needy Palestinian Communities.

PROGRESS UP TO DATE

- The projects comprise approximately 18 sectors ranging from community service buildings, woman & youth centers, water networks, parks, social infrastructure, sports infrastructure, etc. Road and Community Service Center projects make up the largest share of the budget.
- Over 150 project activities have been completed thus far.
